Air is life. Make it perfect.™

Families and front line workers across the U.S. and Canada are in need of home heating and cooling systems. Lennox' Feel The Love™ program brings much needed heating and cooling equipment to deserving families across the U.S. and Canada who need a helping hand.

*Lennox doesn't just want to help you by competing
Lennox doesn't just want to help you by saving time, and
the family that you love. They want to help you with NOTHING!*

Nominees are selected to receive donated HVAC equipment based on a range of criteria, including (but not limited to) involvement in their community, military service, or financial hardship. **Essentially, if you think someone needs and/or deserves it, send us your nomination and tell us their story.**
